To: Mr. Ioannis Lambrou

Methymneos Winery

It's a great pleasure for us to inform you that the Administration of the Chamber of Lesvos decided to award you for your important contribution to the development of Western Lesvos through the revival of the old indigenous grape variety "Chidiriotiko", the production of the exquisite organic wine "Methymneos" and the operation of the only winery on the island of Lesvos offering guided tours.

For the above reason, we invite you on Sunday, February the 1st 2009 at 11:00 a.m. on the occasion of our New Year's opening celebration, during which your prize will be awarded to you.

Best Regards,

The President
